Inspectors: Megan Burns

Date of Inspection: June 26th

Inspection for which month: June

Inspector Comments: I have passed along any notes that need to be addressed. We are happy to have new lighting fixtures installed in the basement corridors. It's brighter and will no longer pose a hazard when moving large cases in the hallways.

Inspectors: Megan Burns

Date of Inspection: Oct 28 2025

Inspection for which month: October

Inspector Comments: I think it would be a good idea to add an "emergency exit keep clear" sign on the exterior side of the doors that exits into the alley way from house right. I have witnessed people sitting here and smoking during performances. (non theatre staff)
